Dear Mr. Susie Snowflake,

I saw your advertisement on the Las Vegas Review Journal for a marketing position. As a marketing student, I have decided to take initiative to contact you for the position. As a marketing student, being on such a respected companies marketing team would be a honor and a blessing.

I am currently a sophomore in marketing program at Southwest Career and Technical Academy in Las Vegas, Nevada. I have learned a lot of relevant things in the marketing program, and I would like to make full use of it with your company. I do not have any work experience in the field, however I think this would be the perfect opportunity to hone my skills in the marketing position.

You can contact myself by my phone, my number is 702-830-1947. You can also send me an email at [syoutawakisaka@yahoo.com](mailto:syoutawakisaka@yahoo.com). I would be open for interview anytime this week from 10 A.M. to 5 P.M. on weekdays in the Las Vegas area. Thank you in advance for this amazing opportunity, and I hope to be working with you soon.

Sincerely,

Syouta Wakisaka
